

Gelish is a PETA® Certified Cruelty- Free Brand!

We are pleased to announce that Gelish has received the PETA® certification of Cruelty-Free, meaning that none of our products are tested on animals. Since its creation, Gelish has been a brand created for professionals with the highest quality products. As the gold standard soak-off gel polish we are raising the bar higher, highlighting quality with a conscience.

The nail market continues to be flooded with low quality products that have unclear values which makes us even more proud to identify with PETA®, the largest animal rights organization in the world. PETA® is devoted to protecting the rights of all animals and we are proud to have received our certification from such an amazing organization.

“Gelish is the gel polish brand created for professionals by professionals,” **says Danny Haile, CEO and Founder of Nail Alliance.** “Since the beginning, we have strived to bring out high quality products that we stand by. This quality guarantee now extends to our extended commitment of no animal testing.”
